Conference Secretariat

Dr. O. P. Bansal "ORGANIZING CHAIRMAN"
MILLENNIUM DIAGNOSTICS, E-319, Greater Kailash-II, New Delhi-110048
Ph. No:-011-29222827, 29222829

Dear Friends,

Even as winter yields to spring, and flowers in enchanting hues, forms and shapes are in bloom, its time for us to once again meet and charge our grey cells with the new and old of radiology, share nuggets of wisdom and knowledge that we have acquired through our experiences, and go a little deeper into the vast and growing ocean of diagnostic imaging.

As in the years before, the Delhi Chapter of India Radiological & Imaging Association is all keyed up to offer you Delhi Imaging Update 2012, where we shall be discussing about the current practice and recent advances in cross-sectional imaging. Be it Ultrasound, CT or MRI you can be sure the seminar is going to be academically appetizing and you would have your cups full. Speakers who are authorities in their respective fields shall enrich our minds with subjects and issues that we cross everyday in our practice.

It is our immense pleasure to extend a warm and cordial invitation to Delhi Imaging Updates 2012 to be held on 25th & 26th February, 2012 at Convention Centre, Scope Complex, 7, Lodhi Road, New Delhi- 110003. It is our privilege to host this conference to confer on the breakthrough and advances made in radiology since we last met.
